Cardiovascular Fellowship with Harvard School of Medicine at Massachusetts General Hospital in Boston, MA, while also receiving additional training in Pulmonary Imaging. He then continued his Pulmonary Imaging Training with National Jewish Health in Denver, CO. He is licensed in both Massachusetts and Florida, certified by the American Board of Radiology, and has a certificate of added qualification by the American College of Radiology in Cardiac CT.

Dr. Rojas received his medical training at the Colegio Mayor de Nuestra Senora Del Rosario in Bogota, Colombia. He then completed both his internship and residency in Diagnostic Radiology, locally at the University of South Florida, College of Medicine in Tampa, FL. Dr. Rojas also completed a

**Carlos A. Rojas, M.D.**

*Sub-specialty:  
Cardiothoracic Radiology  
& Pulmonary Imaging*

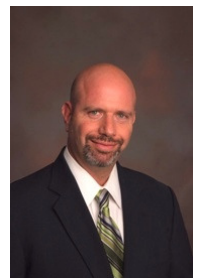

Dr. Feldman served in the United States Marine Corps as part of Air Traffic Control in Beaufort, SC. He then received his Bachelors in Microbiology and as an undergrad, Dr. Feldman was a part of the Flow Cytometry Research Core at H. Lee Moffitt Cancer Research Hospital here in Tampa. He then went on to complete his medical degree locally at the University of South Florida in Tampa, FL. He then completed both his internship in internal medicine and residency in Diagnostic Radiology at the University of Florida College of Medicine in Gainesville, FL. Dr. Feldman also completed a Cross Sectional Imaging Fellowship in Body Imaging with the Mayo Clinic in Jacksonville, FL. He is licensed in the state of Florida and certified by the American Board of Radiology and the Mammography Quality Standards Act.

**John C. Feldman, M.D.**

*Sub-specialty:  
Body Imaging*

Dr. Sunenshine received his Bachelors in Mechanical Engineering & Applied Mechanics at the University of Pennsylvania in Philadelphia, PA, and went on to complete his medical degree at the University of Medicine & Dentistry of New Jersey in Newark, NJ. After graduation he began his post-graduate training in a combined Neurology, Radiology, & Neuroradiology Program and then completed his Fellowship in Neurointerventional Radiology, both at the New York University Medical Center in New York, NY. He is licensed in the state of Florida, New York, New Jersey, Arizona, California, Wisconsin, and Ohio. Dr. Sunenshine is a board-certified Radiologist designated by the American Board of Radiology with a Certificate of Added Qualification in Neuroradiology and is also a board-certified Neurologist designated by the American Board of Psychiatry & Neurology. He is also an active member of the American Society of Neuroradiology, Head & Neck Imaging, and Spine Radiology as well as the Society of Neurointerventional Surgery, American Medical Association and the New York Roentgen Society.

**Peter J. Sunenshine, M.D.**

*Sub-specialty:  
Neurointerventional Radiology  
& Diagnostic Neuroradiology*

For over 40 years, Radiology Associates of Tampa's clinical radiology practice has been Tampa's leader in outpatient radiology. Our 35 highly trained board-certified sub-specialty radiologists provide unparalleled experience in outpatient diagnostic radiology, with specific training in neuroradiology, neurointerventional, interventional, body imaging, musculoskeletal (MSK), nuclear medicine, women's imaging, Cardiothoracic, and pediatric radiology. In addition to our commitment to provide the highest level of quality in diagnostic radiology to the community, the radiologists within our clinical radiology practice participate in the academic missions of research and teaching through participation as voluntary faculty with USF College of Medicine, Department of Radiology.
